Sirs:

This response is filed with a Request for Continued Examination ("RCE") under 37 C.F.R. §1.114 in the above-captioned matter. Applicants contend that the instant RCE is proper because it is filed after receipt of an Office Action containing a final rejection of the claims. Applicants respectfully request that the Office withdraw the finality of the Office Action mailed February 14, 2003 to permit entry and consideration of the instant amendment. A separate Petition for Extension of Time is being filed simultaneously herewith.

Amendments to the Claims begin on page 2 of this paper.

Remarks begin on page 4 of this paper.
